Subject: County Stadium Project

Chairman & Members of the Board:

It is with disappointment that I have to report that I have received word that the owner of the Orem Owlz, Jeff Katofsky, has declined to move forward with his plans to develop three hotels and will not move his team to Pueblo (into a new to-be-built stadium). I have been contacted by local media and had to confirm that I did receive an email this morning that hinted at that fact. Subsequently, I learned that Pueblo County had been officially notified through formal channels. It will be up to Pueblo County to comment on the formal status of the project moving forward.

If there are any questions please feel free to contact me directly.

Thank you,

Jerry M. Pacheco
